**Art club will hold an art exhibition in February by the established and aspiring artists' members of AWG. The process will start with the next meeting. Please check out AWG upcoming events to know the detail.**

The exhibition will be a great opportunity for those who are new in the art world or new in Oman as the event will be publicized in the media.

Established artists will always help the newcomers in every ways that will be needed. A newcomer in Oman and an aspiring artist Anamika is looking forward to be involved in art regularly, as art has been in the back burner for a while. She already got the necessary boost to start up in Oman by getting access to attend an art exhibition's

opening ceremony right after the first meeting along with lots of guidance and helpful tips from the experienced artist Shalini Rakesh.

AWG art club Mona Lisa will promote friendship and goodwill among the artists and art lovers through various activities each month.
